

Statement by Greece to the Meeting of the Standing Committee of the Convention on the Prohibition of the Use, Stockpiling, Production and Transfer of Anti-Personnel mines and on their Destruction (Geneva, 22 June 2011)- Article 5

Mr./ Madam Co- Chair,

First of all, allow me to thank all the countries which briefed us under the item of Mine Clearance.

With regard to the implementation of Article 5 by the Republic of Cyprus, we would like to commend the Cypriot Government for the progress made in this regard. We also take this opportunity to place on record that we fully support, in their entirety, the statements made by the representative of the Republic of Cyprus.

Thank you Mr./ Madam Co- Chair.
