

**Angola To fulfill with Article 5 of the Ottawa Convention, aim to demine all Anti-Personal landmines (confirmed 1st STEP) in field by January 2013 (to confirmed 2nd STEP) After 2013**

**ANGOLA MINE ACTION NATIONAL AUTHORITY  
CNIDAH  
PROJECT TO FULFILL ART.5 BY 2013  
(Confirmed, 1st Step Updated Jun11)**

**FULFILL ART. 5  
TARGET 1st Step**

**Areas that were reported as mined and confirmed with technical survey, 1<sup>st</sup> Step (DATABASE of CNIDAH that is dynamic process for example every day is updated)**

**FULFILL ART. 5  
TARGET 1step**

**Angola Government is making all efforts to demine all contaminated areas, with National Public Operators. In this moment we have a strong help from EC trough 10th Development Found to National and International NGO's**

**FULFILL ART. 5  
TARGET 2nd Step**

**CNIDAH has created a Technical Group for fulfillment of the Art. 5 to work on extension process, as it will be necessary, Angola wants create a realistic DATA Base with the information of all areas that need to be demine**

**FULFILL ART. 5  
TARGET 2nd Step**

**Technical Group with this structure:**

**Coordinator**

**DATA Base**

**Operations**

**Liaison**

**Support**

**Adviser**

THANKS
