

Report on CC

Since 4MSP, the CC met on four occasions, in September, November, December 2002 and January 2003. Our attention was concentrated on Preparations for the 3-7 February 2003 Standing Committee meetings, reviewing the level of preparation of each SC and reviewing the list of side events during the intersessional week, among others the meetings of the different Contact Groups.

The coordinator of the Sponsorship Programme was invited to participate in the meetings of the CC to give updates on this unique programme, which permits the participation of so many delegates from different continents.

As was the practice until the 4MSP, the reports of those meetings were put on the site of the Geneva Center for Humanitarian Demining, during the week following the meeting.
