

**Standing Committee on Stockpile Destruction
Geneva, 21 June 2010**

Intervention on behalf of the UN Mine Action Team

Madame/Mister Co-Chair¹,

Thank you for giving me this opportunity to deliver the following statement on behalf of the United Nations Mine Action Team (UNMAT), comprising 14 UN partners involved in mine action².

Destruction of stockpiles of antipersonnel mines is a key obligation of the Antipersonnel Mine Ban Convention (APMBC). It is important to ensure that stockpile destruction activities take place in a timely and secure manner. As you know, the United Nations has assisted a number of countries in fulfilling their Article 4 obligations.

There are now four States Parties for which the obligation to destroy stockpiled anti-personnel mines remains relevant, namely Belarus, Greece, Turkey and Ukraine. We urge these States Parties to comply with their Article 4 obligations by destroying their stockpiles as soon as possible. The UN stands ready to assist in achieving a 100% achievement of this goal.

Thank you.
