- Collect information about all existing resources on landmines
- Present it to concerned actors and the public in a manageable way

**Index on Landmines**

- About
- Help/FAQ
- Adding
- Email Updates

**Text Database**

- Search
- What's New

**Audiovisuals**

- Search
- What's New

**Websites**

- Search
- Modify
- What's New
- What's Cool
- Random Link

**Index on Landmines**

Welcome to the Index on Landmines, a comprehensive guide to Landmine resources on- and off the Internet.

Look in our [Frequently Asked Questions](#) for information on how to add your own resources.

**Text Database**

The most important part where we want to have almost all written resources on Landmines

**Websites**

Websites dealing with the landmines issue.

**Audio-Visual Database**

Videos, Photobooks and other non-text material about landmines.

We have just launched this webservice and would very much like comments from our visitors, please send them to [webmaster@icbl.org](mailto:webmaster@icbl.org). Read more about the Index on Landmines [here](#)

The Index on Landmines is a web-service provided by the International Campaign to Ban Landmines
