 - Covering an area of 170,682 km²
 - Population: 2.002.543

ORGANISATION OF THE ADP

STRENGTH

	Operations	Service Support
<input type="checkbox"/> 439 National staff	<input type="checkbox"/> 10 Platoons	<input type="checkbox"/> Administration
	<input type="checkbox"/> 2 QRI Sections	
	<input type="checkbox"/> 4 Survey Teams	<input type="checkbox"/> Finance
<input type="checkbox"/> 2 Technical advisers	<input type="checkbox"/> 1 MCTW	
	<input type="checkbox"/> 1 QA Team	<input type="checkbox"/> Logistic
	<input type="checkbox"/> 1 Integration Team	
	<input type="checkbox"/> 3 Dog Teams	
	<input type="checkbox"/> 1 Mechanical Team	

Phase I (Post Conflict)

- ❖ Emergency demining
- ❑ Population Resettlement

Phase II (Post Elections)

❖ Impact Demining

□ Socio-Economic Development

MANUAL DEMINING

MECHANICALLY ASSISTED MINE CLEARANCE

DOGS

National Capacity Building Management Training

- ❑ Senior Management - UK
- ❑ Middle Management - Mozambique

NATIONAL CAPACITY TRAINING

- ☐ Survey
- ☐ Database
- ☐ Medical/AIDS
- ☐ Adm/Fin
- ☐ Deminers
- ☐ Dogs
- ☐ Logistics
- ☐ Mine Awareness

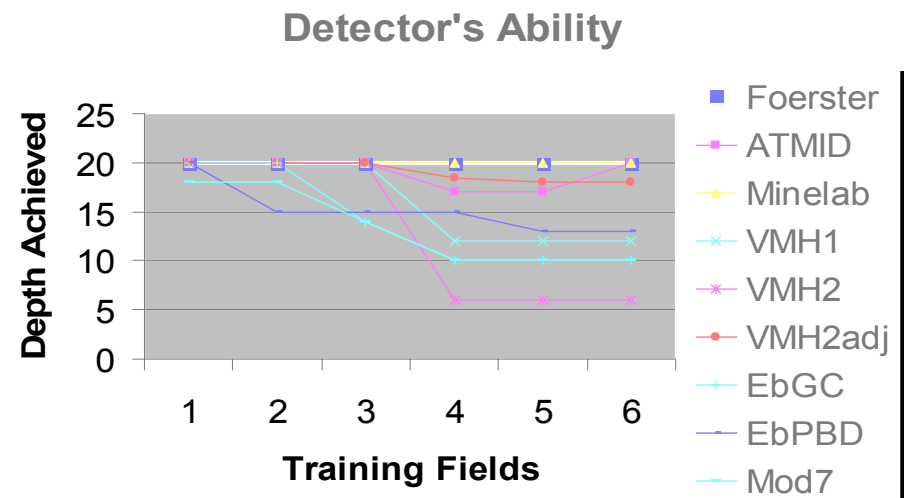

NATIONAL CAPACITY - COOPERATION SOUTH SOUTH

- ❑ Kosovo (Deminers and Paramedics)
- ❑ Lebanon (Officer)
- ❑ Guinea Bissau (Instructors and Surveyors)

NATIONAL CAPACITY RESEARCH

Metal Detector Trial

NATIONAL CAPACITY RESEARCH

☐ Protective Equipment Trial

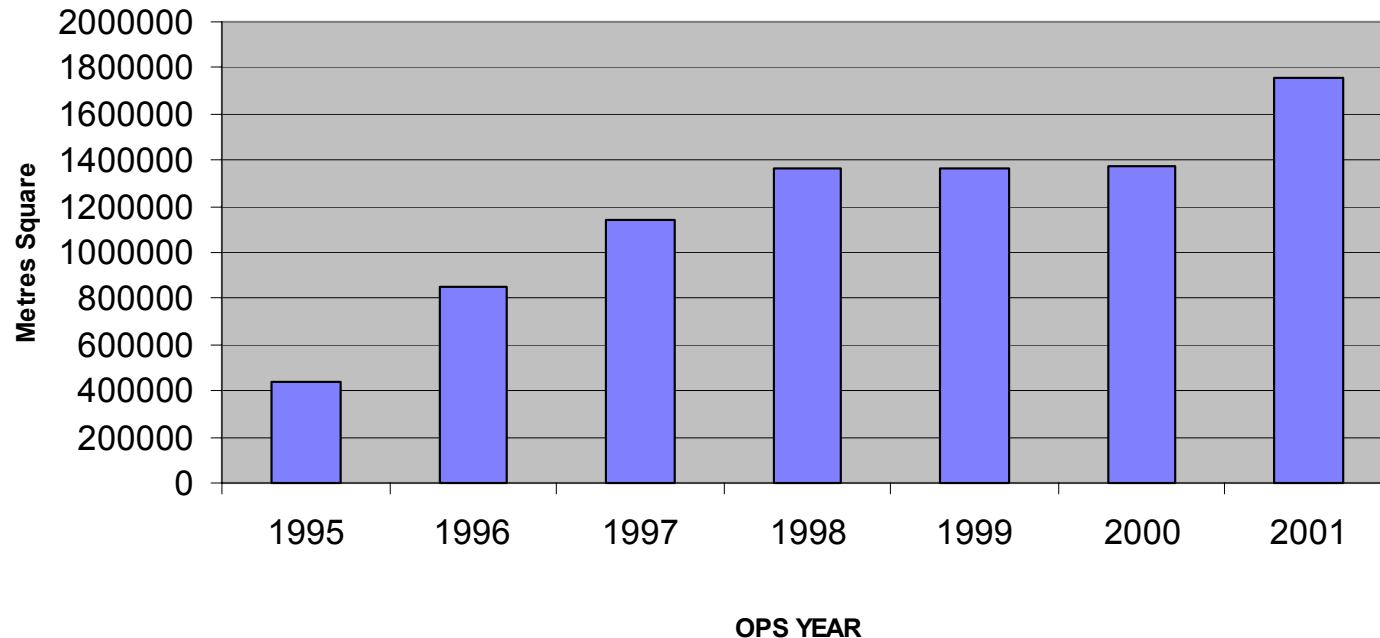

- ☐ Ballistic Body Armour
- ☐ Body Protection Solutions CC
- ☐ Burgmann Pro Oy
- ☐ Med-Eng System Inc.
- ☐ ROFI industries
- ☐ Security Devices
- ☐ Tactical Medical Development
- ☐ The Trading Force LTD

OPERATIONS COST

The ADP spends approx US\$250,000 per month to run the operations.

ANNUAL CLEARANCE COMPARISON

Lessons Learnt

❖ **PROBLEMS:**

- ❑ Level of Information
- ❑ Vegetation
- ❑ Type of Soil/Metal Contamination
- ❑ Detectors
- ❑ Floods 1999/2000
- ❑ Technical Advisors

❖ **SOLUTIONS**

- ❑ Ongoing Intelligence
- ❑ Tool Box
- ❑ Range of Detectors
- ❑ National Capacity Building
- ❑ National Solutions
- ❑ Change of Attitude

FUTURE

- ☐ Strategies
- ☐ Become an NGO?
- ☐ Package Recipient?
- ☐ New Technology?
- ☐ Artificial nose?

A large, billowing cloud of white smoke or steam rises from a dry, grassy field. The smoke is thick and billowing, with a bright, glowing center. The background consists of dry, yellowish-brown grass and some sparse, leafless trees.
