REPUBLIC OF MOZAMBIQUE

**12th Meeting of the States Parties to the
Anti-Personnel Mine Ban Convention**
Geneva, 7 December 2012

**Mozambique Statement on
ISU 2013 Work Plan and Budget**

Mr. President,

Mozambique has provided our own humble contributions to support the budget of the ISU. We have also benefitted directly from the support and technical assistance from the ISU. This support has included substantive inputs provided on mine clearance completion and the provision of information that allows us to take an informed decision on offering to host the Third Review Conference. Mozambique is preparing to assume the role of Co-Chair for mine clearance next year and will therefore continue to benefit from the ISU's support. We therefore support the ISU's 2013 work plan and budget in order to enable the ISU to continue to provide this constructive support to all States Parties.
