

11.6)

Excellencies

Ladies and Gentlemen,

The Angolan Government continues its efforts to provide assistance to landmine victims with dignity. In order to translate these efforts into more feasible programmes and projects in the assistance and socio-economic re-integration in a gender perspective, CNIDAH is currently carrying out a National Mine Victim Registration Project, which I will now share some of the progresses made so far:

## NATIONAL MINE VICTIM REGISTRATION SURVEY PROJECT

04-12-2013

Apresentacao\_Genebra\_DEZ2013

1

## INTRODUCTION

The National Mine Victim Registration Survey Project has been designed to collect and gather information regarding the target group to facilitate decision making and improve service strategies.

04-12-2013

2

This project falls within the first axis of intervention for Landmine Victim Assistance: Understanding the magnitude of the challenge to be addressed.

04-12-2013

Apresentacao\_Genebra\_DEZ2013

3

In this summary presentation, we sought to gather qualitative information deemed important for a better understanding of the project, on one hand and quantitative information on the results achieved on the other.

## PROJECT OBJECTIVES

04-12-2013

Apresentacao\_Genebra\_DEZ2013

5

## OVERALL OBJECTIVE

Evaluate the universe of landmine victims, and the conditions for assistance in order to determine priority needs that would enable the development and implementation of national integrated plans/projects

04-12-2013

Apresentacao\_Genebra\_DEZ2013

6

## SPECIFIC OBJECTIVES

1

Strengthen mine victim assistance in Angola, through a better and most comprehensive understanding of the socio-economic situation and their integration in the labor market.

04-12-2013

Apresentacao\_Genebra\_DEZ2013

7

2

Develop participatory and integrated national plans with adequate mobilization and distribution of resources and other means.

04-12-2013

Apresentacao\_Genebra\_DEZ2013

8

## SCOPE

The project has a nationwide coverage, i.e. municipalities, communes and settlements.

04-12-2013

Apresentacao\_Genebra\_DEZ2013

9

## SOME IMPLEMENTATION STRATEGIES

Recruitment of national operators

Training of Operator's technicians

Intervention by province

Conduct monitoring visits

Conducting official opening sessions

Shared responsibilities
