

United Nations Inter-Agency Coordination Group on Mine Action

14th Meeting of State Parties to the Anti-Personnel Mine Ban Convention

Statement on Transparency, initiative on Reporting Geneva, 3 December 2015

Delivered by Mr. Alan MacDonald, Programme Director, UNMAS Somalia

Mr. President,

The following statement is delivered on behalf of the Inter-Agency Coordination Group on Mine Action (IACG-MA)¹, comprising United Nations entities involved in mine action.

The United Nations welcomes the updated version of the Guide to Reporting, which would assist States Parties in the fulfilment of their reporting obligations under Article 7 of the Convention. This guide will be circulated among United Nations entities to enable their staff to assist national authorities in implementing this article on a timely and effective manner.

The United Nations looks forward to an improvement on both the quantity and the quality of national transparency reporting, as a way to improve compliance with this important obligation.

Thank you.
