

Thank you Mr. President,

Tajikistan would like to take this opportunity to reiterate the important support the Implementation Support Unit has provided.

Over the past years thanks to a European Union grant Juan Carlos Ruan as well as Paramdeep Mtharu facilitated workshops we jointly held in Dushanbe. Juan Carlos especially supported us in developing an Article 5 Completion Plan - in cooperation with GICHD colleagues.

We hope to be able to count on a strong ISU in the future and offer all of our cooperation.

Thank you.
