Serbia and Montenegro	142	30	57	55
Province of Kosovo	472	100	372	
Total	7,724	1,527	6,081	116

Figures do not include mine survivors in the refugee population

KEY ISSUES TO BE ADDRESSED

- Access to appropriate and affordable health care and rehabilitation facilities
- Improve and upgrade existing facilities
- Lack of opportunities for economic reintegration
- Capacity building/training of health care providers
- Establish effective social welfare systems and legislation
- Resources to support facilities and programs
- Raise awareness on the rights and needs of persons with disabilities
