Introduction

The Government and people of Iraq extend their best greetings to his Excellency, Secretary General of United Nations, and avail themselves of this opportunity to thank both his Excellency and the international community for the support provided to Iraq, especially in the liberated areas from the terrorist gangs ISIS,

Despite of exerting efforts and the considerable challenges that our teams still faced in removing IEDs, as well as the new ones discovered every day in these areas , Iraq pledges to the international community to continue its hard and diligent work, sparing no effort to implement its international commitments.

Numerous technical and non-technical surveys, clearance operations, and awareness - raising campaigns were carried out in 2018 – all falling within Directorate for Mine Action's (DMA) scope of work. It is imperative here to mention for the efforts made by the Iraqi Kurdistan Mine Action Agency (IKMAA), which in turn conducted many mine action activities and awareness-raising and educational campaigns targeting communities affected by mines and ERWs.

At the mean time we are looking forward to Iraq Free of Mines , we also seek to present valuation to all international efforts supporting the work of our national program. We call on the international community to support and assist in the clearance operations of minefields that continue to claim many lives and impede the process of investment and economic development in Iraq.

Finally, we express our heartfelt thanks for your interest, trust and support for a prosperous, Iraq Free of Mines.

Dr. Ala Alwan
Minister of Health and Environment
May , 2019

يهدى العراق حكومتاً وشعباً أجمل التحايا لمعالي الامين العام للامم المتحدة ويغتتم هذه الفرصة ليتقدم بالشكر الجزيل لمعاليكم والمجتمع الدولي على الدعم المقدم لبلدي وبالاخص في المناطق المحررة من عصابات داعش الارهابية .

ورغم كل الجهود المبذولة والتحديات الكبيرة التي لازالت تواجهها فرقنا في مجال رفع العبوات الناسفة في هذه المناطق اضافة الى المناطق الجديدة الملوثة بالعبوات الناسفة التي لازالت تكتشف ، يعاهد العراق المجتمع الدولي على مواصلة العمل الجاد والدؤوب للتصدي للتحديات والمعوقات التي تعترض مسيرته ولن يدخر جهداً ابداً في تنفيذ الالتزامات الدولية .

لقد انجزنا العديد من المسوحات التقنية وغير التقنية وكذلك عمليات الازالة وحملات التوعية خلال عام ٢٠١٨ وكل هذه الاعمال هي ضمن نطاق عمل دائرة شؤون الالغام وفي نفس الوقت من المهم الاشارة الى الجهود المقدمة من قبل المؤسسة العامة لأزالة الالغام في اقليم كردستان والتي اجرت بدورها العديد من اعمال شؤون الالغام وحملات التوعية الارشادية المستهدفة للمجتمعات المتأثرة بمخاطر الالغام والمخلفات الحربية غير المنفلقة .

واننا في الوقت الذي نتطلع فيه للوصول لعراق خال من الالغام فأننا نسعى في الوقت ذاته الى تثمين كل الجهود الدولية الداعمة لعمل برنامجنا الوطني وندعو المجتمع الدولي الى تقديم الدعم والمساعدة في عملية ازالة حقول الالغام التي لازالت تحصد العديد من الارواح وكذلك تعيق عملية الاستثمار والتنمية الاقتصادية في العراق.

نختم بشكرنا العالي لاهتمامكم وثقتكم ودعمكم نحو عراق مزدهر خال من الالغام .

الدكتور علاء الدين العلوان

وزير الصحة والبيئة

٢٠١٩/٥/

- Through NTS for many provinces in 2018 we cancelled about 14,119,469 m2 in all of Iraq, these areas was classified as Suspected MF

- In our request for an extended deadline, which was submitted in 2017, the Republic of Iraq made time-bound commitments to enhance efforts to implement Article 5 of the Convention. With respect to these commitments,

2- DMA enhanced its mine action information management capacity by providing upgraded training to information management our staff and upgrading IMSMA Reports forms by cooperating with iMMAP organization .

3- Information Management Department by Cooperate with iMMAP Org. to create online tools to increase communication between DMA with operators (Org. & Co.) that have accreditation to work in Iraq.

A- OPS Dashboard (<https://www.immapiraq.org/dashboards/>) to give them a General information about all contamination in provinces , districts and sub Districts with type of contamination . (see Image (1)).

B- FIRST (field reports status tool) (<http://reports.immap-iraq.org>) this tool assist the partners to give them more information about their reports that entered in IMSMA. (See Image (2)).

4- DMA website under construction will published soon.

5- With respect to the decision of Extension of deadline, which requested that Iraq consider applying the full range of available means to efficiently and expediently release areas suspected to contain anti-personnel mines, We applied NTS in provinces to cancel or confirm the hazards, also we conducted TS for minefields in order to reducing the hazard areas size.

- The National Dialogue have been conducted in 25-26 September at the Prime Minister's Guest House, was hosted by the Directorate for Mine Action (DMA) of the Ministry of Health and Environment of Iraq, co-hosted by the European Union (EU), and supported by the Convention's Implementation Support Unit (ISU) seeking to kick-start the development of a national action plan to cohesively address not only mine survivors' needs but those of all persons with disabilities in Iraq.

- **The beneficiaries centers of the raw materials, Equipment, and training courses.**

All the prosthesis centers throughout Iraq, were covered and provided with raw materials for prosthesis factories and medical aids, where it is equipped by MOHE.

- **The national coordination method**

1. MOHE/DMA

The Ministry of Health and Environment provides therapy and rehabilitation services, orthopedic calends and medical aids, as well as of providing services through prosthesis and rehabilitation centers.

2. MOLSA

Which provides services through, it"s executive departments in Baghdad and provinces represented by the social care office, vocational training office, labour office and loans office.

3. Department of Compensation,

Of the governing council, which provides financial compensations for the victims of terrorist and military operations, according to the Law 20 for 2009?

4. The Commission of the Persons with Disabilities and special needs.

Which acts as developer of general policies for the disabled and special needs represented with its Board of Directors consist of all services of the concerned ministries responsible of providing services.

- **Develop and implement national laws and eligible progress**

1. The social protection law was enacted to provide subsidies for disabled people that commensurate with percentage of disability.

2. Forming a committee to amend the law of the people of disabilities and special needs No.38 of 2013, for sake of disabled, cooperation with the justice accessible for all, program, Ministry of Justice and NGOs.

3. Coordination with the economic &social committee of West Asia ASCWA, to reinforce the comprehensive development integrity for disabled.

Assistant services,

The type of service	Responsible Body	Description of Service
Medical care, physical rehabilitation, providing Orthopedic and medical aids.	MOHE	Surgical operations, physical rehab.,prosthesis,supporative aids and medical therapy
Economic &Social integration	MOLSA	Grant soft loans for 19 disabled, provide opportunities of employment for 30 disabled
Sport integration	Paralympic Committee and Youth &Sport Ministry	Participating in national& international completions within disabled sport clubs
Commission of Persons with disabilities and Special Needs	Board Directors of Commission of persons with disabilities and special needs	*Coordinate with National Committee of Investment to construct low coast houses. *Coordinate with Ministry of Education and British Council to develop a comprehensive frame policy of parallel education and integration for disabled students. *Reviewing the curricula that concern with students with disabilities, *Form a committee to issue instructions and controls of admission of students with disabilities in colleges and high education institutions. Adopting a program of solidarity between national and international universities to create graduates with certifications of physical therapy ,medical rehab. ,prosthesis ,medical aids and special education. *Rebate of the price of airlines tickets and transportation by 50% for disabled. *Allocate 3 persons with disability as employee at the General Establishment of Civil Aviation and General Directorate for Naval shipping.

The steps taken to mobilize national and international resources

- * Cooperation and coordination with ICRC throughout MOHE, to support some prosthesis centers with raw materials.
- *Coordination with HI org. , to add VA ,activity to its accreditation.

The international assistance and cooperation

Responsible Body	Sector	Roll	Type of coordination
ISU,APMBC	VA	Coast of holding workshop	*Develop a national comprehensive action plan of VA in Iraq. *Establish a national unified data base of victims in Iraq.

Relevant Information

Challenges,

1. Financial allocation does not consistent with the need of numerous registered victims.
2. Lack of comprehensive data base.
3. Lack of classification of causalities at MOHE, MOLSA, due to non discrimination of disabled.
