Total			1,195,565,730	3,554

Table explain all surveys that been conducted per provinces

Region	Province	Surveys
IKMAA	Duhok	LIS, PTS
	Erbil	LIS, PTS
	Slemani	LIS, PTS*
RMAC-N	Anbar	LIS, Emergency (NTS)*
	Ninewa	LIS
	Dyala	LIS, Emergency (NTS)*
	Karkuk	LIS, Emergency (NTS)*
	Salah Al-Din	LIS, Emergency (NTS)*
RMAC-M EU	Baghdad	LIS, NTS
	Babel	LIS, Emergency (NTS)*
	Karbala	LIS
	Qadissiya	LIS
	Najaf	LIS, NTS
	Wassit	LIS, NTS, TS*
RMAC-S	Basrah	LIS, NTS, TS*
	Missan	LIS, NTS, TS*
	Thi-Qar	LIS, NTS
	Muthanna	LIS, NTS

Note:

- * Means partial survey not completed yet.
- Emergency (NTS) for liberated areas and need full NTS in the future.

Victims overall classified as gender and age per provinces

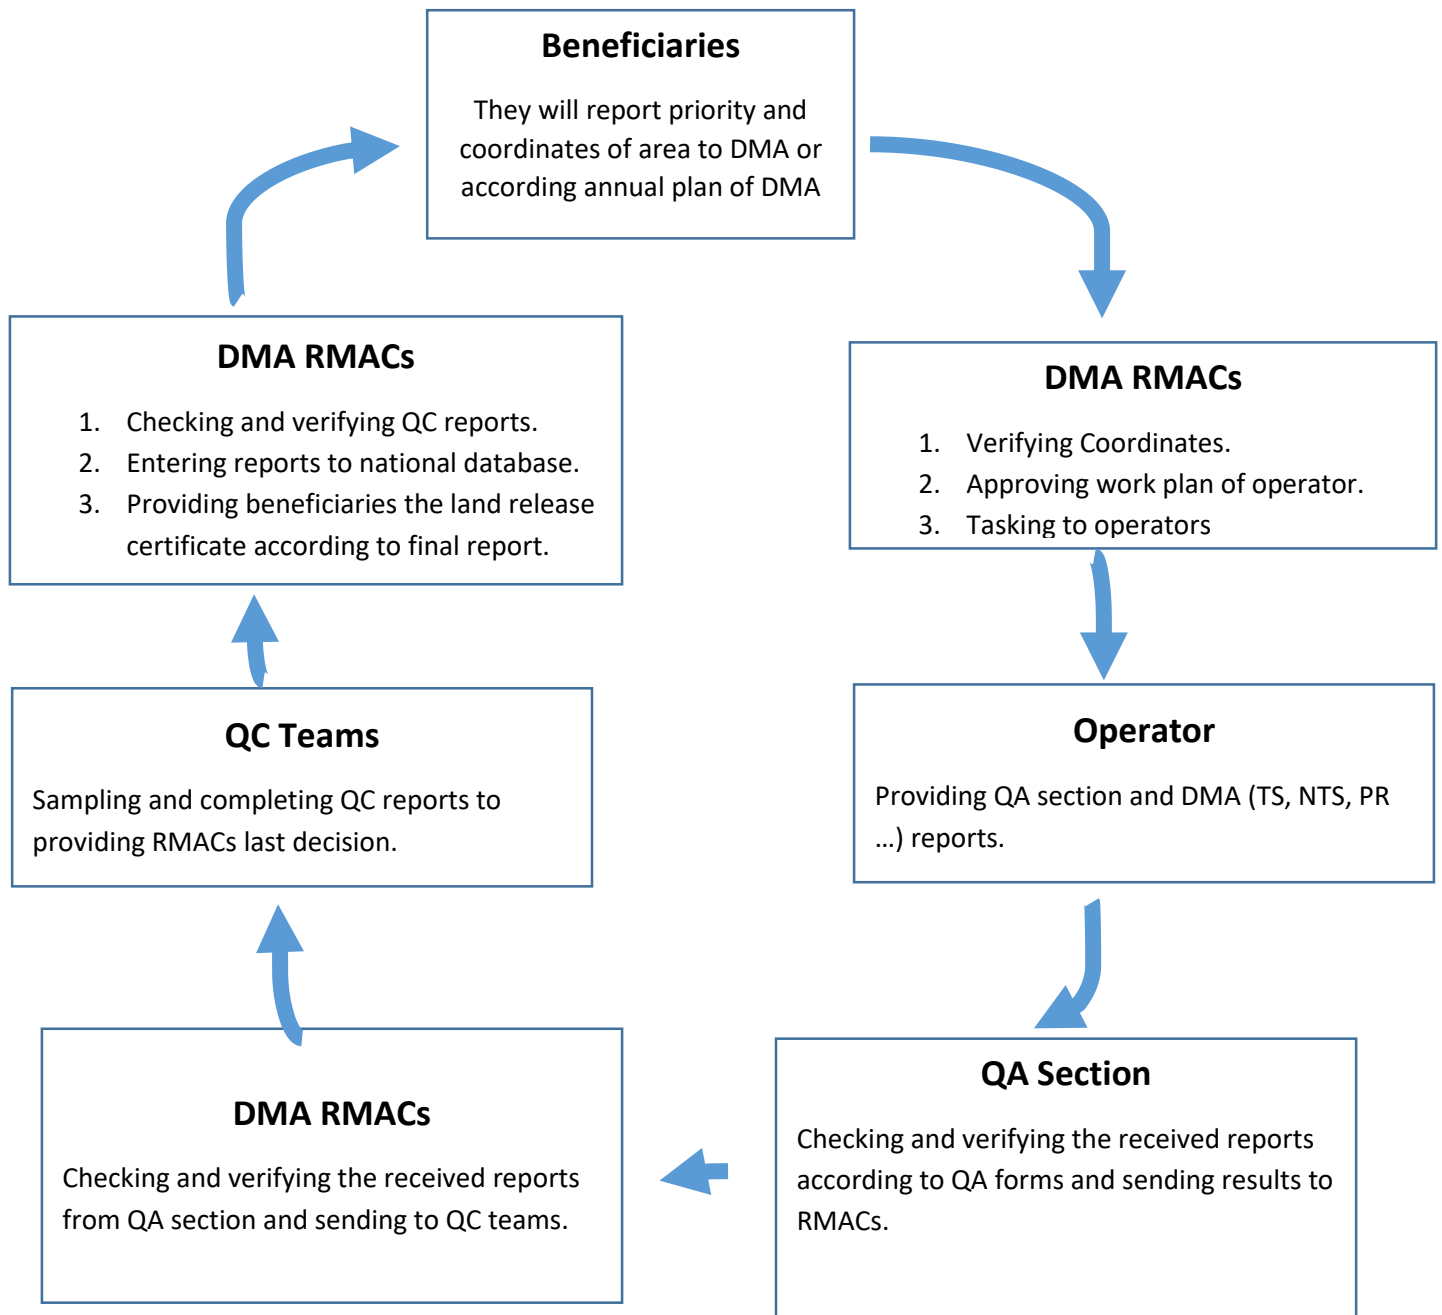

Region	Province	Gender	Killed or Injured	Children < 12	Youth 12-19	Adult >19
IKMAA	Duhok	Female	Death	0	2	62
		Female	Injured	4	2	7
		Male	Death	10	6	884
		Male	Injured	2	21	197
	Erbil	Female	Death	1	0	218
		Female	Injured	1	4	67
		Male	Death	5	1	2646
		Male	Injured	6	12	769
	Sleman	Female	Death	1	1	612
		Female	Injured	0	0	167
		Male	Death	13	3	6187
		Male	Injured	2	2	1124
RMAC-M EU	Wassit	Female	Death	3	15	37
		Female	Injured	0	11	96
		Male	Death	4	16	484
		Male	Injured	3	26	3272
RMAC-N	Anbar	Female	Injured	0	1	0
		Male	Injured	0	1	8
	Salah al-Din	Female	Death	1	0	1
		Female	Injured	0	1	2
		Male	Death	0	1	41
		Male	Injured	0	2	22
RMAC-S	Basrah	Female	Injured	1	10	199
		Female	Killed	1	6	34
		Male	Death	0	1	8
		Male	Injured	7	31	4591
		Male	Killed	3	4	239
	Missan	Female	Death	0	8	95
		Female	Injured	7	41	546
		Male	Death	2	21	676
		Male	Injured	17	96	4325
	Muthanna	Female	Death	0	2	132
		Female	Injured	3	6	128
		Male	Death	1	8	557
		Male	Injured	2	18	2513
	Thi-Qar	Female	Death	4	16	112
		Female	Injured	0	10	121
		Male	Death	3	24	523
		Male	Injured	2	22	3818
Total				109	452	35520
Grand Total						36081

Expected Activities in plan

Region	Province	Activities expected
IKMAA	Duhok	MRE and Clearance
	Erbil	MRE and Clearance
	Slemani	MRE and Clearance
RMAC-N	Anbar	NTS, MRE and Clearance
	Ninewa	NTS, MRE and Clearance
	Dyala	NTS, MRE and Clearance
	Karkuk	NTS, MRE and Clearance
	Salah Al-Din	NTS, MRE and Clearance
RMAC-M EU	Baghdad	NTS, MRE for confrontation area "Terrorist "and Clearance
	Babel	NTS, MRE and Clearance
	Karbala	NTS and MRE
	Qadissiya	NTS and MRE
	Najaf	MRE
	Wassit	TS, MRE and Clearance
RMAC-S	Basrah	TS, MRE and Clearance
	Missan	TS, MRE and Clearance
	Thi-Qar	TS, MRE and Clearance
	Muthanna	TS, MRE and Clearance

Note: - Clearance we mean demining activates, this part of plan is belonging to (DMA and IKMAA)'s general plan.

1- DMA Tasking procedure cycle :

2- IKMAA tasking procedure Cycle :

- Annual plan of IKMAA, Request from Governorate, Request form individuals/Private Section through Governorate.
- IKMAA HQ issuing the Task for MACs, or Local/International Organization according to the priorities, cc to QA/QC and MRE.
- QA/QC will follow the implementation of the task according to the SOPs.
- MACs, Local/International Organization will implement the clearance, and Progress reports will be send to Plan to follow the reporting.
- Completion reports will be send to QA/QC to perform sampling on the final CR.
- Completion reports will be entered to the IMSMA to finalize and confirm the Hazard is closed, Handover procedure will be performed after.
- Directorate of Plan follow up for annual plan will be within the time frame.

Handover Procedure for Cleared Area:

After performing the clearance for Hazardous area and finishing the Sampling area portion through QA/QC, IKMAA and DMA will hold an official ceremony to handover the certification of cleared area to land owners, the certification is an official letter which signed by the implementer, land owner and Mine Action Authority that contain the legal responsibility.
