

Decisions on the Request Submitted by Mozambique for an Extension of the Deadline for Completing the Destruction of Anti-Personnel Mines in Accordance with Article 5 of the Convention¹

28 November 2008

26. At its final plenary session, taking into account the analyses presented by the President of the Eighth Meeting of the States Parties of the requests submitted under article 5 of the Convention and the requests themselves, the Meeting took the following decisions:

xiii. The Meeting assessed the request submitted by Mozambique for an extension of Mozambique's deadline for completing the destruction of anti-personnel mines in mined areas in accordance with article 5.1, agreeing unanimously to grant the request for an extension until 1 March 2014.

xiv. In granting the request, the Meeting noted that the plans contained in the request were comprehensive and complete, although it also noted that additional clarity could result from eventually updating the national demining plan to cover the full extension period and include information on plans to deal with mined areas along Mozambique's border with Zimbabwe. The Meeting further noted that, while the plan presented in Mozambique's request is workable and ambitious, its success is contingent upon reversing a downward trend in donor support for Mozambique in order to increase demining capacity to the level needed to complete implementation by the end of the requested extension period.

27. Also in the context of considering the submission of requests under article 5 of the Convention, the Meeting noted that many of the States Parties that had submitted requests for extensions had highlighted the importance of obtaining resources in order to implement the plans contained in their requests. The Meeting encouraged requesting States Parties, as relevant, to develop as soon as possible resource mobilisation strategies that take into account the need to reach out to a wide range of national and international funding sources. The Meeting furthermore encouraged all States Parties in a position to do so to honour their commitments to fulfilling their obligations under article 6.4 of the Convention to provide assistance for mine clearance and related activities.

28. Also in the context of considering the submission of requests under article 5 of the Convention, the Meeting noted that the accounting of the remaining mined areas contained in many extension requests would serve as a foundation for a resource mobilisation strategy and greatly assist both requesting States Parties and all others in assessing progress in implementation during the extension period. The Meeting encouraged those requesting

States Parties that have not yet done so to provide an accounting of annual milestones of progress to be achieved during extension periods. The Meeting furthermore encouraged all States Parties whose requests had been considered by the Ninth Meeting to provide updates relative to their accounting of remaining mined areas and/or annual benchmarks for progress at meetings of the Standing Committees, at the Second Review Conference and at Meetings of the States Parties.

29. Also in the context of considering the submission of requests under article 5 of the Convention, the Meeting warmly welcomed the report presented by the President of the Eighth Meeting of the States Parties on the process for the preparation, submission and consideration of requests for extensions to Article 5 deadlines, as contained in document APLC/MSP.9/2008/WP.35, and agreed to encourage States Parties, as appropriate, to implement the recommendations contained therein.
